If I am awarded an OSF HealthCare Saint Clare Medical Center scholarship, it is my intention to complete my nursing or health care education as outlined by my school and serve as a member of the profession for which I am preparing. Should I withdraw from a nursing or health care career track, I understand the funds must be returned commensurate with the school year remaining (for example, for one half of the academic year, one half of the award must be repaid). I acknowledge that the information provided in this application is true and complete. I understand that any false or misleading representations or omissions may disqualify me from consideration of scholarship monetary award. I authorize persons, schools, employers and organizations to provide OSF HealthCare with any request for information regarding my application.
